COOKIES

Our websites and pages use what the industry refers to as “cookies.” Cookies are small data packages that do not cause any damage to your device. They are either stored temporarily for the duration of a session (session cookies) or they are permanently archived on your device (permanent cookies). Session cookies are automatically deleted once you terminate your visit. Permanent cookies remain archived on your device until you actively delete them, or they are automatically eradicated by your web browser.

Cookies can be issued by us (first-party cookies) or by third-party companies (so-called third-party cookies). Third-party cookies enable the integration of certain services of third-party companies into websites (e.g., cookies for handling payment services).

Cookies have a variety of functions. Many cookies are technically essential since certain website functions would not work in the absence of these cookies (e.g., the shopping cart function or the display of videos). Other cookies may be used to analyze user behavior or for promotional purposes.

Cookies, which are required for the performance of electronic communication transactions, for the provision of certain functions you want to use (e.g., for the shopping cart function) or those that are necessary for the optimization (required cookies) of the website (e.g., cookies that provide measurable insights into the web audience), shall be stored on the basis of Art. 6(1)(f) GDPR, unless a different legal basis is cited. The operator of the website has a legitimate interest in the storage of required cookies to ensure the technically error-free and optimized provision of the operator’s services. If your consent to the storage of the cookies and similar recognition technologies has been requested, the processing occurs exclusively on the basis of the consent obtained (Art. 6(1)(a) GDPR and § 25 (1) TTDSG); this consent may be revoked at any time.

You have the option to set up your browser in such a manner that you will be notified any time cookies are placed and to permit the acceptance of cookies only in specific cases. You may also exclude the acceptance of cookies in certain cases or in general or activate the delete-function for the automatic eradication of cookies when the browser closes. If cookies are deactivated, the functions of this website may be limited.

Which cookies and services are used on this website can be found in this privacy policy.

Whenever you visit our website, a Borlabs cookie will be stored in your browser, which archives any declarations or revocations of consent you have entered. These data are not shared with the provider of the Borlabs technology.

The recorded data shall remain archived until you ask us to eradicate them, delete the Borlabs cookie on your own or the purpose of storing the data no longer exists. This shall be without prejudice to any retention obligations mandated by law. YOUR INFORMATION AND YOUR RIGHTS

You have the right to request access to your personal data at any time without having to pay a fee for such disclosures. This enables you to receive a copy of the personal data we hold about you and to check we are lawfully processing it. You also have the right to demand that your data are rectified or eradicated. If you have consented to data processing, you have the option to revoke this consent at any time, which shall affect all future data processing. We will provide to you, or a third party you have chosen, your personal data in a structured, commonly used, machine-readable format. Note that this right only applies to automated information which you initially provided consent for us to use or where we used the information to perform a contract with you. You have the right to withdraw consent at any time where we are relying on consent to process your personal data. However, this will not affect the lawfulness of any processing carried out before you withdraw your consent. If you withdraw your consent, we may not be able to provide certain products or services to you. We will advise you if this is the case at the time you withdraw your consent.

If you wish to exercise any of the above rights, simply send an email to infouk@kaefer.com. We try to respond to all legitimate requests within one month. Occasionally it could take us longer than a month if your request is particularly complex, or you have made a number of requests. In this case, we will notify you and keep you updated.

DURATION OF STORAGE

Your personal information will stay with us until the reason it was acquired no longer applies, unless a longer retention period has been specified. Unless we have other legally permissible reasons to store your personal data (like tax or commercial law retention periods), your data will be deleted if you make a valid request for deletion or withdraw your consent to data processing. In the latter case, the deletion will take place after these reasons stop being valid.
